What is it?

Join us for a full day workshop about emotional intelligence within love. Learn how to construct long-lasting relationships from a renowned Psychologist and Psychiatrist. Gain the training and knowledge you need to achieve true love.

What will you learn?

1st workshop: Love and Emotional Intelligence

2nd workshop: Advice for the Navigators

3rd workshop: 10 Golden Rules for Living Together

4th workshop: Remedies for the Lack of Love

Who are the speakers?

Dr. Enrique Rojas is a renowned psychologist and psychiatrist specialising in couples therapy. He is also the author of 'Love: The Great Opportunity'.

Isabel Rojas Estapé works at the Spanish Institute of Psychiatric Research, where she specialises in depression, anxiety, panic attacks, personality disorders and couples crisis.

**True love needs training
and knowledge.**
